Views From Every Direction

This certainly may be the apartment you are waiting for. There is absolutely nothing to be done to this little beauty, other than unpack and move in. This two bed, two bath offers real sophisticated living, along with a myriad of lifestyle choices.

The open plan living/dining is extremely bright and spacious. It flows seamlessly onto the balcony where you can enjoy views across St Kilda, all the way to the Dandenongs. The adjoining kitchen is designer in style, and also has the added benefit of partial sea views. Your master bedroom is generous in size, built in mirrored robes, ensuite, and again a room with a view across St Kilda to the sea. The second bedroom is still a good size, again with the benefit of views. A central bathroom continues the sleek modern vibe of the apartment. Add to this a concealed euro laundry, split system heating/cooling, secure video com, secure parking, a in house property manager.

The close by St. Kilda cafes and restaurants, the buzz of Chapel Street, Albert Park, and public transport at your door. Email or call to book an appointment. Its rare to find so much quality for such a reasonable price.
